

GENERAL DATA PROTECTION REGULATIONS

Where a boat has been listed on this website the name of the person(s) responsible for that boat is included in the main Boat List as well as the Club to which that boat has been registered. This information is digitally stored and published so that the Organisers of Regattas and other events can identify prize-winners at their Regatta. The Boat List is also used for processing NHCs and the results for some of the boats.

No contact details (e.g. telephone nos. or email addresses) are held for any individuals. The information has been provided by Senior Officers at each BLYC Member Club (usually the Hon. Sailing Secretary) and will not be passed on to any third parties, nor will it be used for any marketing purposes.

If you have any objection to these details being held, or published on this website, you should immediately email to the webmaster, ideally through the BLYC website (where his contact details can be found),
